LT&BTET Train-the-Trainer Course

Thursday, May 18, 2017

What?

The Large Truck & Bus Traffic Enforcement Training Program is presented at no cost to the participants and emphasizes the need for officers to engage large trucks and buses safely and effectively so as to reduce major crash injuries and fatalities. The program also prepares in-state instructors to deliver a 2-hour in-service training program to ALL local officers and county sheriff deputies. Attendees will be eligible to receive 4 hours of POST CEU credits.

Where?

Northeast Alabama Law Enforcement Academy
100 Gamecock Drive
Fort McClellan, Alabama 36205

When?

Date: Thursday, May 18, 2017 8:00am to 12pm

What to wear?

Business casual or uniform equivalent

Who?

Instructors, sworn or non-sworn, and any other personnel who want to learn more about the LT&BTET program and its benefits.

For Information on the training site please contact-Director Matt McCullars (256) 782-5318

Why?

Due to their size, large trucks and buses can wreak havoc on our nation's highways when a crash occurs. Even though each state has designated officers focusing on traffic enforcement for this population, the number of crashes increases every year. We know that if local officers--to include city, county and other agencies--will actively enforce unsafe movement violations, then fatalities and crashes will diminish.
