This course is for certified law enforcement officers only and medics assigned to teams. We train in all weather conditions except for lighting or other extremely hazardous conditions. This class is a long day, plan accordingly!

Meeting Location: Northeast Alabama Police Academy, 100 Gamecock Drive, Anniston, AL 36205 - exact classroom number is subject to change. No live weapons are to be brought into the classroom.

Program Description: This approved seventy-two hour Basic SWAT Course will certify each student. The program will begin at 7:45 am. The days are long, extending 14+ hours each day. This program is designed to address and reinforce basic tactical concepts, movement, entry and clearing using repetitive scenario based force on force scenarios. Training includes tactics, techniques and procedures for law enforcement tactical operations, use force case law, medical training, rapid decision making during scenarios and many other concepts. Course includes a Tac Med Solutions Operator IFAK valued at more than \$80.00 each - for every student (coyote tan). We do not haze students. All students are treated as professionals.

This course requires moderate to high levels of physical fitness and the class learning objectives will fatigue the student. The student must be able to walk, run short distances, kneel, squat, bend, assume prone positions and recover to any position unassisted. Students should not attend that have bad backs, heart conditions or any other physical limitations.

Instructors: Instructors assigned to coordinate and work with these programs have significant backgrounds in law enforcement/military and special weapons training as well as tactical training. The instructional staff includes personnel from federal law enforcement, military, former state department contractors.

All instructors are assigned to active law enforcement tactical teams WITHIN THE STATE OF ALABAMA. We feel this is critical for the success of the program. This also allows the instructors to discuss Use of Force Case law as it pertains to **LE tactical operations**.
